Dear Posey:

I just received a letter from Mr. Greer, in answer to mine, in which he said he is trying to get Macon and Sanford. He would prefer playing in either of these two spots to Daytona Beach. I am writing you because I have assured Dr. Slack, at your promise, that I would play in Daytona Beach Easter Sunday. I also told him I would bring either one of the league teams or Jacksonville.

I thought I had better write you, as I would not go to Sanford with The Red Caps instead of playing in Daytona as I promised him. I know you are taking care of the booking and I will depend on you straightening the whole thing out.

I believe I told you, I had heard from The Mohawks asking me to play them Easter Sunday. I wrote them and told them I would let them know in a few days what my plans were. I would like to give them an answer soon, as I know they are as anxious as I am to get the date closed. Easter is just three weeks off. This is not much time to have printing done and distributed. If I had accepted the Mohawks when they first wrote I could have been ready to start publicity now. Please let me hear from you by return mail. If there is any park you are trying to get, and they have not agreed to the date yet, chances are they don't want the colored teams. It is certainly late to be getting parks for a game three weeks off.

I am writing my Senators and Congressmen, about the men leaving as Posey requested.

Very Truly Yours
